EXPERIENCE

INA Internet Group, Kolkata

Apr 2023 - Present

Project: Real-Time Restaurant Reservation Platform

Mar 2024 - Present

Role: Software Developer

- Built **responsive and accessible UI** using **React.js**, ensuring smooth user interactions
- Developed a **real-time booking system** with **user and admin panels**
- Enhanced performance using **debounced search**, **lazy loading**, and **pagination**
- Integrated **RESTful APIs** using **Axios** for seamless data handling
- Designed **reusable and scalable components** for maintainable UI architecture
- Improved performance by reducing re-renders and optimizing load time by approx **30%**

Project: EV Battery Monitoring & Performance Analytics Dashboard

Aug 2023 - Jan 2024

Role: Software Developer

- Developed a **real-time dashboard** using **React.js** and **Tailwind CSS**
- Integrated and consumed **REST APIs** for live and historical data
- Built **modular reusable components** for data visualization
- Optimized **Chart.js performance** for large datasets
- Implemented **search, filtering, and pagination**
- Improved load time by approx **23%** through efficient data handling and rendering optimizations

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS
State Management: React Context API, Redux*
Backend: Node.js*, Express.js*, REST APIs
Database: SQL, MongoDB
Tools: Git, GitHub, Postman, VS Code, Chrome DevTools

* Elementary proficiency

PROJECTS

Artify (AI Image Tool)

React.js, Node.js, Express.js

- Built a **full-stack web application** using **React.js**, **Node.js**, and **Express.js**.
- Designed **RESTful APIs** for handling AI requests and user authentication.
- Integrated **third-party APIs** for text-to-image generation.
- Implemented **authentication and premium access features**.
- Focused on **performance optimization and smooth user experience**.

Portfolio Website

React.js, Tailwind CSS, Three.js, EmailJS, Framer Motion

- Developed a **responsive portfolio** with reusable components.
- Created smooth animations using **Three.js** and **Framer Motion**.
- Integrated **EmailJS contact form**.

EDUCATION

B.Tech in Computer Science & Engineering

Jul 2016 - May 2020

Hooghly Engineering & Technology College, Kolkata

CGPA: 7.45

ACHIEVEMENTS

- **3rd Place** - Spark-Hack Competition (2018)
- **Top 10** - National Health Hack Innovation Challenge (2018)
